

The Governor Wentworth Arts Council has enriched the southern Lakes Region since 1968, providing support to artists and cultural organizations. The Arts Council endeavors to bring impactful art-making experiences to the region, as well as exhibition and professional development opportunities across all artistic disciplines. We are a group of artists, organizations, and arts supporters who are dedicated to improving our local cultural environment. Your membership fees help to fund arts programs in the local libraries, provide arts education grants, and offer special arts events in our region.

All members, regardless of level, receive special member prices for GWAC classes and events, GWAC email newsletters, voting rights for GWAC ballots and board elections*, and the opportunity to nominate and run for GWAC board positions.
